Flagship Premium Cinemas Expands to Lansdale, PA with Renovations Planned for Water Tower Cinema

Lansdale, Pennsylvania – September 19th, 2025 – FP Cinemas LLC and The Goldenberg Group are pleased to announce that Flagship Premium Cinemas will assume operations this October at Water Tower Cinema, located at 750 Montgomery Glen Drive in Lansdale, PA. This marks Flagship's 19th location and an exciting expansion of its mission to bring premium, affordable moviegoing experiences to communities across the region.

Flagship will retain the current theater team, ensuring guests continue to see the familiar, friendly faces they know and love. At the same time, the company will begin a multi-phase renovation to enhance the theater all while keeping doors open and movies playing. Planned upgrades include Flagship's signature luxury recliners, refreshed concessions and a polished modern interior designed to elevate the hometown theater experience.

"We're thrilled to join the Lansdale community and honored to carry forward the legacy of Water Tower Cinema. Our guests can expect the same welcoming atmosphere, now with premium upgrades that make every visit even more special."

– *Paul Wenger, President of Flagship Premium Cinemas*

Flagship will honor all existing Water Tower Cinema gift cards, advance ticket sales and events. Moviegoers are encouraged to stay tuned for updates on renovation progress and new offerings.

Nearby Flagship locations include Pottstown, Palmyra and Matamoras, PA.

"The Goldenberg Group would like to thank the staff, community, schools, local police, fire department, families, and movie aficionados for their support since we took over the theater in 2019. We look forward to working with the Flagship team and to continue to build on our "Community Theater" experience in our role as partner and owner of Water Tower Square."

– *David Mercuris – Senior Vice President, The Goldenberg Group*
